"I came to GroYourBiz as a way to expand my company and have been a cheerleader for what is accomplished through GroYourBiz by impacting our companies with the facilitators' wisdom, leadership, intelligence and her ability to dig deep and ask hard questions that need real answers! The deep discussions with business women who are struggling with the same issues is essential to our growth as women entrepreneurs and each little success is shared and applauded within our group! I cannot begin to place a value on what I have learned and I look forward to continuing to "Gro my Biz" with each businesswoman in the group."
